

BMW Motorrad

ORIGINAL BMW MOTORRAD ACCESSORIES PRICE LIST 2019

ONLY THE BEST FOR YOUR BMW.

You want to be able to trust your BMW implicitly. All the time, 100 percent. So make sure you always use Original BMW Motorrad Parts. They remain available until your bike reaches old age, and can be obtained at short notice thanks to perfect storage logistics. State of the art production techniques guarantee high quality and performance. The parts are equivalent to standard products and must undergo numerous tests to ensure they meet the same strict requirements such as those imposed on our initial parts. And above all, they are optimally attuned to and approved for your machine. Give your BMW what it deserves – nothing but the best: for optimal performance and riding fun over its entire service life.

Engine oil.

Please contact your dealer or visit bmw-motorrad.dk for more detailed information

- 1 Installation and/or enabling in a specialist workshop, preferably at your authorised BMW Motorrad Retailer.
- 2 Not in combination with LED flashing turn indicators
- 3 Information on individual restrictions in riding speed and payload can be found in the operating instructions
- 4 Only in combination with aluminium case holder
- 5 Only in combination with OE navigation preparation.
- 7 Only in combination with OE Keyless Ride
- 8 Not in combination with navigation preparation retrofit set
- 9 Only in combination with a dual USB charger
- 10 The additional headlights are approved as fog lights and may only be used in poor weather conditions. Country-specific road traffic regulations shall be observed.
- 11 Please pay attention to marketability. Not all part numbers are available in every market due to import laws for chemical products.
- 12 Availability scheduled for 1st quarter of 2019
- 13 The installation instructions are available for download on the BMW Motorrad website.

R NineT

High Performance parts.

HP sport silencer, various installation options
 Low with pillion frame:(+) Short crossover pipe
 (+) Silencer bracket
 (+) Spacer sleeve for attaching silencer
 (+) Rubber decoupling element for silencer
 (+) Cylinder screw M8x30
 High without pillion frame:(+) Long crossover pipe
 (+) Silencer bracket
 HP carbon front mudguard
 HP carbon belt cover
 HP carbon cylinder head covers
 HP carbon intake snorkel cover
 (+) Plastic washer M5 (two required)
 HP carbon throttle body trim
 (+) Plastic washer M5 (two required)
 HP carbon ignition switch/steering lock cover
 HP carbon seat hump cover
 (+) Padding for seat hump
 (o) Padding for Alcantara seat hump

Storage.

Tankbag, 11 l
 (o) Tankbag, leather edition, 11 l
 (+) Tank strap
 (o) Tank strap, leather edition
 Small tankbag, 1.5 l
 (o) Small tankbag, leather edition, 1.5 l
 (+) Tank strap
 (o) Tank strap, leather edition
 Rear bag, 40 l
 Rear bag, leather edition, 40 l
 Right side bag, 9 l
 (o) Right side bag, leather edition, 9 l
 (+) Bracket for right side bag
 Left side bag, 14 l
 (o) Left side bag, leather edition, 14 l
 (+) Bracket for right side bag

Design,

Luggage rack
 Machined cylinder head covers
 Machined oil filler cap
 Machined belt cover
 Machined headlight cover
 Machined handlebar end covers
 Machined rear axle covers
 Machined cover for angular gearbox mount
 Machined swing-arm pivot cover
 Milled rider foot pegs, left
 (+) Milled rider foot pegs, right
 (+) Microswitch
 Milled pillion passenger foot pegs
 Milled handbrake lever
 (+) Milled clutch lever
 Hand-brushed aluminium tank with visible welded seam
 (o) Hand-brushed aluminium tank with smooth welded seam
 (+) BMW badge (two required)
 (+) Insulating foil
 Hand-brushed aluminium windshield
 (+) Windshield bracket
 (+) Fastening parts
 Hand-brushed aluminium radiator trim
 Hand-brushed aluminium triangular frame cover
 Hand-brushed aluminium seat hump cover
 (+) Padding for seat hump
 (o) Padding for Alcantara seat hump
 2V-style cylinder head cover
 2V-style cylinder head cover, right
 Silver cylinder head cover, left
 (+) Silver cylinder head cover, right
 Black cylinder head cover, left
 (+) Black cylinder head cover, right
 Chrome cylinder head covers
 Scrambler windshield, Alpine White
 (+) Windshield bracket
 (+) Fastening parts
 Race number plate, Alpine White
 (o) Race number plate, Alpine White (for HP sport silencer above)
 Instrument cluster housing, Matt Chrome
 Granite Grey ignition switch/steering lock cover
 Knee pads
 Bracket for silencer
 Scrambler silencer
 (o) Scrambler silencer, low-noise
 Bracket for Scrambler silencer
 Main frame screw cover
 LED indicators (four required)
 Scrambler single seat, Saddle Brown
 (+) Single seat end section
 Single seat for luggage rack, Red
 (o) Single seat for luggage rack, Brown
 (+) Fastening parts
 Custom rider seat, Black
 Comfort pillion seat
 Adjustable clip-on handlebars
 Heated grips and switches

1) To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

2) For detailed information, please contact your BMW Motorrad dealer or visit bmw-motorrad.dk

3) Only available in conjunction with option codes 603 and 417: anti-theft alarm system with central locking.

4) Included in BMW K 1600 GT Sport.

5) Only available in conjunction with optional navigation device preparation.

6) The auxiliary headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply.

7) Supplied without LED flashlight batteries; four LR41 1.5V button cells required.

**Maintenance
and technology.**

Care products.

- 1) To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.
- 2) For detailed information, please contact your BMW Motorrad dealer or visit bmw-motorrad.dk
- 3) Only available in conjunction with option codes 603 and 417: anti-theft alarm system with central locking.
- 4) Only available in conjunction with optional navigation device preparation.
- 5) The auxiliary headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply.
- 6) Supplied without LED flashlight batteries; four LR41 1.5V button cells required.

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

*1 To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

*2 Only in combination with SA-No. 603 and SA no. 417 "Anti-theft alarm system with central locking"

*3 The additional headlamps are approved as fog lights and may only be used in bad weather conditions. The country-specific road traffic regulations must be adhered to.

*5 Charging only, no multimedia function.

*A For detailed information, please contact your BMW Motorrad dealer or visit bmw-motorrad.dk

*B If you have any questions about tyres or a new tire purchase, our BMW Motorrad partners will be happy to advise you in detail on the tyres approved for the respective BMW motorcycle model.

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

*1 To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership

*2 For detailed information, please contact your BMW Motorrad dealer or visit www.bmw-motorrad.dk

*3 Supplied without LED flashlight batteries; four LR41 1.5 V button cells required

*4 Instructions for fitting and use available from your BMW Motorrad dealership

*5 For solo riding only

*6 The rear bag, aluminium seat hump cover and pillion comfort seat cannot be fitted at the same time

*7 Recommended if pillion frame is not fitted

*8 Can be fitted either without a pillion frame (for solo riding only) or in conjunction with a pillion frame; if a pillion frame is not fitted, the pipe is only available in conjunction with a silencer bracket

*9 We recommend combining this item with the main frame screw cover (because the pillion frame is not fitted)

*10 Only available in conjunction with Dynamic Traction Control (DTC)

*11 Can only be used in conjunction with rear Sport workstand.

S 1000 RR

Please contact your dealer or visit bmw-motorrad.dk for more detailed information.

1 Installation and/or enabling in a specialist workshop, preferably at your authorised BMW Motorrad Retailer.

3 Do not install in combination with rear LED flashing turn indicator with short foot P/N 8 5 22 499 or

LED flashing turn indicator with long foot P/N 8 522 500.

4 Information on individual restrictions in riding speed and payload can be found in the operating instructions.

5 When used with aluminium cases, the black coating can be rubbed off at the contact points.

6 Not in combination with Rallye seat with luggage plate. Only in combination with P/N 77 30 8 546 226

"Set of covers for grab handle holes", if the standard passenger grab handles are removed.

7 Only in combination with luggage carrier and topcase carrier.

8 Only in combination with luggage carrier.

9 Only in combination with aluminium case holder

10 Only in combination with a suitable passenger or rider's seat.

11 Only in combination with OE navigation preparation.

12 For vehicles without navigation preparation

13 Only in combination with a dual USB charger.

14 The installation instructions are available for download on the BMW Motorrad website.

15 The additional headlights are approved as fog lights and may only be used in poor weather conditions.

Country-specific road traffic regulations shall be observed.

16 Only in combination with the rear Sport auxiliary stand.

17 "Supplied without batteries for LED torch; the device takes 4 button cells, 1.5 V, type LR-41"

R 1250 GS Adventure

Please contact your dealer or visit bmw-motorrad.dk for more detailed information

- 1 Installation and/or enabling in a specialist workshop, preferably at your authorised BMW Motorrad Retailer.
- 3 Do not install in combination with rear LED flashing turn indicator with short foot part number 8 5 22 499 or LED flashing turn indicator with long foot part number 8 522 500.
- 4 Information on individual restrictions in riding speed and payload can be found in the operating instructions.
- 5 When used with aluminium cases, the black coating can be rubbed off at the contact points.
- 6 Not in combination with Rallye seat with luggage plate. Only in combination with PIN 77 30 8 546 226 "Set of covers for grab handle holes", if the standard passenger grab handles are removed.
- 8 Only in combination with aluminium case holder
- 9 The installation instructions are available for download on the BMW Motorrad website.
- 10 Only in combination with a suitable passenger or rider's seat
- 11 Only in combination with OE navigation preparation
- 12 For vehicles without navigation preparation
- 13 Also available as optional equipment, OE no. 272
- 14 Only in combination with a dual USB charger
- 15 The additional headlights are approved as fog lights and may only be used in poor weather conditions. Country-specific road traffic regulations shall be observed.
- 16 Only in combination with Sport auxiliary stand rear
- 17 Supplied without batteries for LED torch; four button cells, 1.5 V, type LR-41 required.
- 18 Please pay attention to marketability. Not all part numbers are available in every market due to import laws for chemical products.
- 19 Other container sizes available, see ETK/EPC
- 20 Availability scheduled for 1st quarter of 2019

Safety.**Maintenance and technology.**

Please contact your dealer or visit bmw-motorrad.dk for more detailed information.

- 1 Installation and/or enabling in a specialist workshop, preferably at your authorised BMW Motorrad Retailer.
- 2 Availability scheduled for 1st quarter of 2019
- 3 Information on individual restrictions in riding speed and payload can be found in the installation/operating instructions.
- 5 Only in combination with luggage carrier
- 6 Only in combination with OE navigation preparation
- 7 For vehicles without navigation preparation
- 8 Only in combination with a dual USB charger
- 9 The additional headlights are approved as fog lights and may only be used in poor weather conditions. Country-specific road traffic regulations shall be observed.
- 10 *Supplied without batteries for LED torch; the device takes 4 button cells, 1.5 V, type LR-41*
- 11 Please pay attention to marketability. Not all part numbers are available in every market due to import laws for chemical products.
- 12 The installation instructions are available for download on the BMW Motorrad website.

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

*1 Only in combination with luggage rack

*2 Including lock cylinder

*4 To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

*8 The additional headlamps are approved as fog lights and may only be used in bad weather conditions.

The country-specific road traffic regulations must be adhered to.

*10 Required if no SA no. 518 "seat heating" is installed

*A For detailed information, please contact your BMW Motorrad dealer or visit bmw-motorrad.dk

*B If you have any questions about tires or a new tire purchase, our BMW Motorrad partners will be happy to advise you in detail on the tires approved for the respective BMW motorcycle model.
